Subject: 2015 A bonds debt service*

Joan and Kym,

As I've mentioned to both of you the plan for the 2015 A general obligation bond anticipation note has evolved over the course of the last 4-6 months. Based on slower than predicted spending and new bond construction funding flexibility (can use GF for up to 25% of an authorization with notice to LB&A for 18 months) we are just rolling the 2014 BAN amount in 2015 rather than increasing the size as previously forecast. Accordingly the \$20 million that is in Section 20(h)(13) could be reduced from \$20 million to \$10 million.

If you want to leave at \$20 million that is fine also, we will just amortize bonds a little more quickly than we otherwise would have.

Let me know if you'd like to discuss.

Deven
